

Plantation Catering Company's **Classic** Menus 2006

Incredible Burgers

If this menu was any more American, you'd be required to salute! Our 100% beef burgers & dogs are all Fire-Grilled on-site at your event location on our custom charcoal grills - and served up hot & juicy!

We serve these menus from a simple informal "All You Can Eat" buffet. Selections must be the same for all guests & we have a minimum charge for thirty. Pricing is based on a standard one-hour serving time, but arrangements for extended service or multiple serve times can be made. A travel charge may apply depending on your location. Children under 10 are charged $\frac{1}{2}$ the adult price (Adult count must satisfy minimum).
